

Exciting Opportunity

Consultancy Services Needed for Production and Featuring of Youth Voices on SRHR/GBV in Covid 19 Context on TV and Social Media Platforms.

TERMS OF REFERENCE

1. Introduction:

Uganda Youth Network is a leading national umbrella youth organisation that works to mainstream young people's engagement in development and governance processes in Uganda and East Africa. The organisation was started in 2003 to respond to the increasing demand for a collective platform for research, training and policy advocacy for young people by young people, and currently working on a new agenda owned and driven by the youth through working together, facilitating mindset change, supporting better mobilization and organisation of youth formations, supporting youth economic empowerment for sustainable development, civic consciousness and active participation through representative advocacy and electoral democracy.

Our vision: A peaceful and prosperous society, led by an accountable governance system

Our Mission: To build, empower and sustain a vibrant youth movement that fosters sustainable economic development and champions' accountable governance.

2. About a Healthy Living for a Healthy Young Generation Project:

A healthy Living for a Healthy Young Generation is a youth-led social empowerment project that seeks to support young people (aged 13-24yrs) on sexual reproductive healthy and rights. It integrates promotion and access of Youth Sexual Reproductive Health (SRH) and prevention of Gender Based Violence among young people while seeking to empower them to demand for their rights in a participatory and inclusive manner.

The project is being implemented in the districts of; Kampala, Wakiso, Nwoya, Rubirizi, Kasese and Buikwe

The project Goal;

To contribute to a healthy youth population free from violence and empowered in an inclusive society that promotes state accountability.

Project Objectives;

1. Reduction in Sexual Reproductive Health related risks and gender-based violence among adolescents/youth (girls and boys) aged 13-24
2. Increased capacities of local social support systems to promote SRH and Rights and as well as respond to GBV among the young people
3. Increased number and capacity of youth led organizations influencing the space where CSOs operate to become more youth oriented.

3. Overall purpose of the Consultancy:

The service provider will capture the voices of young people discussing SRHR/GBV in the context of Covid 19 and feature the recorded voices on TV and social media platforms. The consultancy will also involve developing and featuring TV spot messages with text and voice focusing on what young people need to do to keep healthy and avoid catching the Corona Virus.

4. Terms and scope of assignment:

This consultancy will focus on the following;

- I. The service provider is expected to interact with beneficiaries from six project districts of; Kampala, Buikwe, Nwoya, Wakiso, Rubirizi and Kasese to document their voices on SRHR/GBV in the context of Covid 19 and generate a pile of video footage that shall be used to generate short video clips to be featured on TV and social media platforms.
- II. The service provider is also expected to develop and feature TV spot messages with text and voice focusing on what young people need to do to keep healthy and avoid catching the Corona Virus. The spot messages will then be run on TV and social media platforms targeting the wider youth populace.

5. Deliverables:

- ❖ An inception report detailing the framework of engagement
- ❖ DVD of short video clips featuring the voices of young people from the project districts on SRHR/GBV in the context of Covid 19.
- ❖ Soft copies of all the original raw footage from the recordings of the engagement
- ❖ DVD of TV spot messages with text and voice on what young people need to do to keep healthy and avoid catching the Corona virus.

6. Duration and Timeframe:

The assignment period is one month (September).

7. Implementation Arrangements

The consultant will work alongside local project partners in the project districts with technical support from the UYONET project management team on the flow of the entire assignment.

The timing and duration for the assignment will be 22 working days effective from the date of signing of the contract. The work schedule should run as follows:

Deliverable	Time
An inception report detailing the framework of engagement	2 days after signing of contract
Soft copies of all the original raw footage from the recordings of the engagement.	10 days after submission of the inception report
DVDs of short video clips and TV spot messages for featuring on TV and social media platforms	4 days
Featuring video clips and spot messages on TV and social media platforms	7 days

The consultant (s) shall submit all the above deliverables to the Executive Director of UYONET

8. Financial projection:

As a full consideration for the contract, UYONET shall pay the service provider a total of UGX 30,000,000 (Thirty Million Only) withholding tax inclusive as per the schedule below;

50% upon signing of the contract

50% upon approval of final delivery of the assignment.

9. How to apply

The expression of interest including financial projections should be addressed to the Executive Director, Uganda Youth Network and Completed Applications should be submitted via email jobs@uyonet.or.ug.

For more information, please contact us on 256772914790 or email to skalamiah@gmail.com

10. Deadline for application:
